

TeachAI Cambridge

YOUR DYNAMIC STUDY GUIDE

CAMBRIDGE IGCSE AND INTERNATIONAL AS & A LEVEL

Give every lesson somewhere to go next.

Understand the idea. Put it into practice.
Follow a plan that helps you stay accountable.

Understand

Syllabus-led explanations, worked examples and figures. Save useful passages with highlights.

Recognise

Use exam guidance and your learning checklist to identify gaps and choose what to revisit.

Apply

Try original Cambridge-style practice. Check explanations or self-mark against a scheme.

Know what to study. See what still needs doing.

Build a personal timetable with reading, practice and spaced recaps. Tick off daily tasks, catch up on unfinished work and review your confidence each week.

CALENDAR ALERTS

Subscribe to your private study calendar and choose a study alert time.

WEEKLY EMAIL REVIEWS

Opt in to summaries with progress, unfinished work and upcoming topics. Unsubscribe any time.

For teachers: focus support where it is needed.

Connect classes with student consent. Compare shared completion, confidence, quiz scores and self-marked results. Use Reteach first, demonstrate the study routine and create teaching resources.
